«Hi, I'm Vincent, exploring graphic design since 2012. My professional experience, studies, and passion for working with visuals enable me to bring projects from the first drafts of conception to the last steps of realization.»

Education

- 2015 **Master 2 3i**
(Image, Interactivity, International)
Université de Savoie.
- 2013 **Lizentiatengrad PSM**
Produits et Services Multimédias
Université de Franche-Comté.
- 2012 **Fachhochschuldiplom**
in Multimedia (DUT MMI)
IUT de Belfort-Montbéliard.
- 2009 **Bachelor's degree**
European section German.

Hobbies

-  **Drawing**
I like to express my imagination on a piece of paper or through a computer.
-  **Concert / Opera**
The high diversity and quality of concert that Berlin offers are the reasons why I found the city so attractive.
-  **Video Games**
For their great playful experiences, their interactive narrations and the graphic ambiance.
-  **Reading**
To Escape through fascinating stories. I am especially passionate about History and love to read about it.
